

401 Training Session

***Ensure your project stays on track,
take time to attend this free training session.***

If you're planning a water quality project that will result in the discharge of dredge or fill material into a lake or stream, you may need a permit from the U.S. Army Corps of Engineers and Ohio EPA. Join Maggie Selbe (Ohio EPA, Southeast District Office) to learn more about the requirements to obtain a permit for your upcoming project.

**April 18, 2019
10:00 a.m.-11:30 a.m.
Pike County Government Center
230 Waverly Plaza
Waverly, Ohio**

**Please RSVP by April 16, 2019
